 VENUE: NIZUC RESORT & SPA IN CANCÚN, MEXICO

For our “Love & Luxury in Mexico” photo shoot, a group of talented wedding vendors got together to redefine a beach wedding south of the border. The planning and event design company, Crosby + Jon, were especially excited to mix juxtaposed elements such as “a delicate crystal chandelier set against the rough-hewn wood of the pier.” The Mexico destination of Nizuc Resort & Spa was a perfect fit.

1: Nizuc Resort & Spa’s edgy Mayan style was the perfect backdrop for this sultry take on a Mexican beach wedding. Our glamorous bride is ready for the runway with hair and makeup by Bridal Beauty Chicago, chandelier earrings and a gown courtesy of Maggie Louise Bridal, and a dramatic bouquet by Krista Jon for Archive Rentals.

2: Our couple is happy to make a lifelong promise beneath a driftwood arch draped with soft fabric from Crosby + Jon Design and adorned with floral arrangements by Krista Jon for Archive Rentals. The decorative lanterns and driftwood arch are both courtesy of Archive Rentals Mexico. Our groom is beach chic in a shirt and slacks from Banana Republic and our bride is seaside glam in a dress courtesy of Maggie Louise Bridal.

3: This stationery suite by Shannon Kirsten Studio is the perfect blend of organic elements and trendy calligraphy. There’s no doubt these lovelies would garner plenty of RSVP’s.

4: Our bride gets ready for her close-up with hair and makeup by Bridal Beauty Chicago, a dress courtesy of Maggie Louise Bridal and Jimmy Choo heels.

5 & 6: What's a wedding without excellent food and drink? An elegant bar cart, courtesy of Nizuc Resort & Spa, is an impactful alternative to a full bar. The sexy color palette of the day makes its way onto a simple, but beautiful cake by El Dia Que me Quieras.

7: This dramatic, but delicate sweetheart table makes the most of a gorgeous view. The vintage table, candlesticks and chairs are all courtesy of Archive Rentals Mexico. The gorgeous floral centerpiece by Krista Jon for Archive Rentals is set atop traditional lace linens from Silk and Willow.

“We continued the theme by using refined, tufted linen furniture set amid coarse ocean rock formations...”

The theme of contrasting luxury details with rugged surroundings continues with these ceremony and seating set-ups. Nizuc Resort & Spa's dock is dressed up with a crystal chandelier, tufted benches and a greenery garland by Krista Jon for Archive Rentals.

10 & 11: The comfort and conversation flow with the sofa, pillows, chairs and coffee table, all furniture courtesy of Archive Rentals Mexico, and florals courtesy of Krista Jon for Archive Rentals. The elegance continues outdoors with a lovely tablescape made up of a centerpiece by Krista Jon for Archive Rentals, candlesticks, goblets and servingware courtesy of Archive Rentals Mexico, and a lovely lace table runner from Silk and Willow.

12: Our bride is truly ready for her close-up in chandelier earrings and a beaded bodice gown courtesy of Maggie Louise Bridal. Her ethereal, natural makeup and hair are by Bridal Beauty Chicago.

13: Nizuc Resort & Spa's surrounding mangroves and foliage played an integral part in the inspiration for this photo shoot. Here, our bride makes the most of Mother Nature in a dress courtesy of Maggie Louise Bridal, hair and makeup by Bridal Beauty Chicago and a bouquet by Krista Jon for Archive Rentals.

14, 15 & 16: Our bride struts her stuff around the modern Nizuc Resort & Spa's beachfront. She's seaside glam in a dress and chandelier earrings courtesy of Maggie Louise Bridal and her makeup by Bridal Beauty Chicago gives her that lovely W-day glow. The vintage wooden ceremony pews are courtesy of Archive Rentals Mexico and her dramatic bouquet is by Krista Jon for Archive Rentals. Her gold wedding set with an emerald center stone is by Claire Pettibone for Trumpet & Horn and is the perfect complement to her jewel-toned bouquet.
