PACIFIC NORTHWEST | VOL. 1

ARCHIVE

Hey! We are thrilled you are holding our Archive Pacific Northwest design guide. In this digital world it's nice to take time away from the lit computer screen and relish in the simple pleasure of holding a booklet, made of genuine paper. Archive is a speciality rental company with a beautiful collection of furnishings, including tables, dining chairs, tabletop, lounge, ceremony seating, backdrops and much more. We've had the pleasure of working with some of the industry's most talented people and this book is our way of celebrating and honoring them. You will find page after page of a few of our favorite events to awake your senses and inspire your design direction. Feel free to reach out and let us know what you think. We look forward to hearing from you!
